

Company Update

WPTA HD has been added to the IPTV lineup. It is channel number 20.

Construction on the first phase of Node 5 in Celina is underway. The boundaries for the first phase are Wayne St. to Lilac St. then north to Kingswood and south on Meadowview. Construction of the second phase of Node 5 is set to begin before the end of the year. The second phase will cover the area north of Wayne St. and east of Buckeye, including those homes north of Myers Rd.

We recently extended our network to reach new patrons along Gause Rd between State Route 29 and Swamp. It also includes the homes on Swamp Rd. between Gause and Township Line.

Wabash is also installing fiber along Township Line north of State Route 29 towards the Carmel Church area, including areas of Mud Pike and Carmel Church.

If you know someone who lives in our new expansion areas, have them give us a call. If they mention your name as a referral, we will credit your bill \$25 once they are installed to show our appreciation.

LOCAL STUDENTS COULD BE ELIGIBLE FOR EDUCATIONAL AWARDS

Wabash Mutual Telephone will be giving up to \$2,000 in Educational Award(s) to qualifying 2009 high school senior(s) who wish to further his/her education at any college, vocational or technical school. Applicants must be a child or legal ward of a Wabash Mutual Telephone member. Other provisions also apply.

Wabash Mutual Telephone is also excited to announce its participation in the National Telecommunications Cooperative Association's (NTCA) & Foundation for Rural Service (FRS) 2009 College Scholarship Program.

This year, the program will award \$75,000 in scholarships to rural youth across the United States. The foundation will award 30 scholarships valued at \$2,500. Wabash Mutual Telephone will provide an additional \$500 scholarship to any winning student(s) it sponsors, bringing the total scholarship award to \$3,000 per student. Provisions apply.

The scholarship program is open to all graduating high school seniors from rural areas that receive local telecommunications service from Wabash Mutual Telephone.

The deadline for both programs is March 1, 2009. For applications contact Wabash Mutual Telephone Company, 942-1111 or info@wabashtelephone.com.
