

## Company Update

Wabash will be at the **WCSM Fall Fling** at Coldwater High School on **Sunday, September 13 from 11:30 – 4pm**. Stop by the booth to check out our services and freebies!

Also mark your calendars for our **Christmas Open House with Santa** on **Friday, December 4** at our Celina Office, 118 E Market Street from **5:30-9:00pm**. Bring the kids for complimentary photos with Santa. Also refreshments, giveaways and door prizes!

Construction of RST 7 located on Skeels Road and the intersection of Burrville Road is underway and customers in the surrounding area will be able to get advanced services including IPTV. Installation should be complete by late October.

Our Township Line Road fiber expansion is complete. Customers are being installed upon availability of equipment. It covers the area north of State Route 29 to Hone Weir Road, east to Erastus Durbin and west to Now Road.

We recently began construction to extend service on St. Anthony Road from Karch Road to Burkettsville St. Henry. This should be turned up the first week of September.

We are currently placing drops in Celina, Node 5 Phase 1 and the mainline construction in Phase 2 should be completed next week. Node 5 covers the area north of Wayne St. and east of Buckeye, including those homes north of Myers Rd.

Construction is underway in Fort Recovery. The main line fiber is in place in the first phase and splicing has begun. The first phase covers areas along 49 North of town, St. Joe Road west of Wabash Road and the east end of Park Road. It also covers the North end of the village.

Bud Link splicing cable along St. Anthony Rd.

**Does your business need a competitive edge?** Let us help with a new phone system. Wabash Mutual is an authorized Avaya dealer. We can help you customize a system to fit your current business needs plus allow for potential growth. We will install the system and train you and your staff. Plus like always we'll be here to serve you in the future.

### Fetters Joins Wabash Staff

Brian Fetters joined our staff at the end of June as a full time Installation & Repair Technician. He is a graduate from Celina Senior High School. He has 10 years experience installing TV service.

Brian is a life long resident of Celina. He is married and has one daughter. He enjoys watching football and playing golf in his spare time.

### Fiber Optic Fact

One bundle of fiber optic cable not much thicker than a pencil can carry all of the world's communications traffic.

### IPTV Fun Fact

Don't want to miss your Favorite show? Use the Auto Tune feature and your screen will automatically switch to the program when it starts. To set up: Press the Guide Button, scroll through the channels to find your program of choice, press ok to highlight your program choice. Use the arrow keys to set Autotune, press OK. When it is set a dot will appear on the channel and it will automatically change.

### Labor Day

The office will be closed on Monday, September 7 in observance of Labor Day! We will reopen on Tuesday at 8:00 am.

We would like to wish everyone a safe and enjoyable Labor Day Weekend!
